

History of Music Syllabus

Teacher: Mrs. Robbie Doelger

Email: robedoel@hssdschools.org

Phone: 662-7751

Website: <https://linevillechoir.weebly.com>

Twitter: @LinevilleChoir

Course Description

Students will learn the history of today's popular music and how it originated. Students will learn about the various genres, styles and artists that paved the way for today's popular music. Students will design a project that will demonstrate their knowledge of the history of popular music.

Course Requirements

- Try your best
- Participate during classes
- Complete the final project (students will be given ample class time to complete the project. As long as they are using their time wisely they should not be bringing work home for this class).

Course Supplies

- 3-Ring Binder is preferred (1 or 1.5 inch will be fine), but a sturdy folder will work as well
- Headphones or earbuds (these should be brought to class daily)

Communication

I value open communication between parent, child, and teacher. Throughout the course of the year I will communicate via email, Schoology, newsletters, my website, and Twitter. I encourage parents to contact me with any questions or concerns via phone or email.

Please bookmark my website <https://linevillechoir.weebly.com> I strive to post up-to-date and relevant information. Everything a parent needs to know (and more) can be found on my website.
